

MILWAUKEE'S 2ND ANNUAL MLK DAY WEEKEND OF SERVICE

Making Our Communities More Equitable and Healthy

2022 IMPACT SUMMARY REPORT

BACKGROUND

Dr. Martin Luther King said, "Everybody can be great because anybody can serve." Observed on the third Monday of each year, MLK Day is the only federal holiday designated as a national day of service. In honor of Dr. King's Dream, Jump at the Sun Consultants, LLC hosted several events between Jan. 14-17, 2022. Our community partners included the Wisconsin African American Tobacco Prevention Network (WAATPN), Wisconsin Tobacco Prevention and Poverty Network (WTPPN), WI Wins, Health Connections, Inc., and the Lovell Johnson Quality of Life Center. The events were supported by the Milwaukee Health Department and funded by the Greater Milwaukee Foundation, Zilber Family Foundation, DHS COVID Vaccine Outreach, DHS Tobacco Prevention and Control Program, and Milwaukee County. This is the 2nd year that Jump at the Sun Consultants and its partners have hosted a series of events on MLK Day Weekend.
